

CAR DRIVER INFORMATION

Weston-super-Mare Carnival - a spectacle of light, music and colour!

Friday 9 November 2019

Advice for car drivers:

- The Beach Lawns are being made available for car parking from 12.00 noon on the day of the carnival at a cost of £5.00 per car.
- Visitors can reach Beach Lawns by following the Coach Route Parking as far as the Sea Front. This will take you to the Beach Lawns area.
- Visitors are also advised to take advantage of on-street parking where possible and enjoy a leisurely stroll into town.
- Check Council run car-parks for available parking (please note that these are mainly within the route and therefore exit will not be possible until the conclusion of the Carnival).
- If you are not staying in Weston and are planning to leave after the procession it would be advisable to perhaps delay your exit and enjoy a drink, snack or meal. This may save you sitting in traffic if everyone attempts to leave together.
- Please follow directional signage from junction 21 and junction 22, M5.
- Town centre roads close at 6pm.
- Follow the signed route to avoid road closures.
- Procession starts at 7.15pm.

High tides or adverse weather may lead to North Somerset Council deploying flood defences.

This will result in the carnival procession using an alternative route. Car drivers are advised to follow any directional signage in place on the day.
